QIXING

SMART TOILET

*Tech-savvy experience*

As an ODM and OEM manufacturer in the sanitary field, QIXing has been offering different sanitary solutions with intelligent bidets, toilets seats, flushing cisterns and various spare parts to branding sanitary-ware companies, manufacturers, importers & distributors for nearly 3 years. With the unique and innovative technologies, stable quality, and reliable services, QIXing's products are sold to more than 128 countries and step into the local people's life.

In addition, we provide comprehensive after-sales service to ensure timely and professional support during purchasing and using, further building consumer trust and loyalty.
